## Protect your savings against the costs of cancer

A cancer diagnosis may have crossed your mind over the years. Or you may have a family history. Recovering from cancer would be your main focus. Cancer also has a financial impact that can be hard to recover from. Cancer insurance pays you cash benefits for a variety of the ways your cancer is treated.

## How it works.

Your employer is offering you and your coworkers this coverage as a group, at a group rate. You are responsible for paying a portion or all of the cost.

The benefit schedule on the following pages lists what the plan pays for covered cancer treatments.

### Benefits

<b>Coverage is provided for</b>	A covered person who is diagnosed with cancer after the effective date of insurance. Coverage is available for you and your family. An eligible child is defined as your child from birth to age 26.
<b>Additional plan features</b>	Benefits are payable directly to you, the employee This plan pays benefits in addition to any other coverage you may have.

## What did cancer insurance mean for Beth?

Beth was diagnosed with breast cancer in her mid-50s. She was concerned about her health, and about her finances.

Beth filed claims with Sun Life as she received treatments.

We reviewed her medical information and details from her physician. We approved her claims.

She received cash benefits for hospital stays, radiation and chemotherapy treatments.

These benefits helped her pay her medical deductible and copays, and travel expenses for medical appointments

*Did you know? A recent study shows that cancer patients spend 11% of their household income on expenses related to their cancer treatments.\* This may prompt you to consider cancer insurance.*

# Cancer insurance FAQs

## How do I file a claim?

We will ask for information from you and your doctor about your medical condition. You can download forms from our website. Please complete and sign all forms. Missing information or signatures can delay your claim.

## Can I receive benefits for more than one cancer diagnosis?

Regardless of types of Cancer or number of diagnoses, you may receive benefits for covered Cancer treatments from your inforce policy. If you have Level 2 coverage, the First Occurrence Benefit provides a one-time payment for your initial Cancer diagnosis in addition to your covered treatment benefits.

## Is my benefit taxable?

If you pay for your coverage all post-tax, your benefit will not be taxable income or tax reported by us to the IRS. If you pay for your coverage all pre-tax, if you pay for part of your coverage post-tax and your employer pays for the rest, or if your employer pays the entire

premium, some or all of your benefit amount will be tax reported on a Form 1099 as taxable income. Please consult with a tax advisor or your employer if you have any questions.

## What if I have a pre-existing condition?

If you submit a claim within 12 months of your insurance taking effect, or 12 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes anything you have sought or received treatment for in the 12 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for drugs or medicine.

## Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

# Important information

**The following coverage(s) do not constitute comprehensive health insurance (often referred to as “major medical coverage”). They do NOT provide basic hospital, basic medical, or major medical insurance.**

To become insured, you must meet the eligibility requirements set forth by your employer. Your coverage effective date will be determined by the Policy and may be delayed if you are not actively at work on the date your coverage would otherwise go into effect. Similarly, dependent coverage, if offered, may be delayed if your dependents are in the hospital (except for newborns) on the date coverage would otherwise become effective. Refer to the Certificate for details.

## Limitations and exclusions

The below exclusions and limitations may vary by state law and regulations. This list may not be comprehensive. Please see the Certificate or ask your benefits administrator for details.

### Cancer

We will not pay a benefit that is due to or results from: services or Treatment not included in the Covered Cancer Benefits; war or an act of war; active military duty; intentionally self-inflicted injuries while sane or insane; services or Treatment for which the Insured is not charged, unless there is no charge because the facility is a United States government facility; services or Treatment provided by a Family Member; services or Treatment for premalignant conditions; services or Treatment for conditions with malignant potential; services or Treatment for non-cancer illnesses; elective plastic or cosmetic surgery.

This product is inappropriate for individuals who are eligible for Medicaid coverage.

**This Overview is preliminary to the issuance of the Policy. Refer to your Certificate for details. Receipt of this Overview does not constitute approval of coverage under the Policy. In the event of a discrepancy between this Overview, the Certificate and the Policy, the terms of the Policy will govern. Product offerings may not be available in all states and may vary depending on state laws and regulations.**
